

GARAGE LOOKBOOK

Diplomat Closet Design Lookbook 2022

INTRODUCTION

You deserve to love your garage just as much as every other room in your home. Today's luxury garages are stylish, functional, and expertly designed for maximum storage.

Is your current garage a cluttered mess? Does it need a major facelift? Could it benefit from a sleek new wall-mounted storage system? Diplomat Closet Design is here to help with creative ideas and smart organizational solutions.

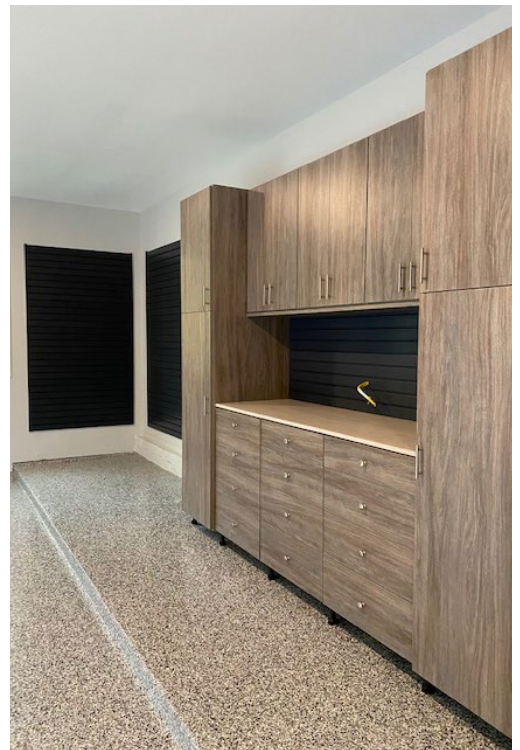

Use this lookbook to dream big and brainstorm ideas for your custom garage makeover. We look forward to speaking with you about upgrading your garage and your lifestyle.

STYLISH, FUNCTIONAL STORAGE SYSTEMS

When you add a [garage storage system](#), it's like giving your garage an instant TV makeover. Our team of design and installation pros installs your wall-mounted storage system quickly, affordably, and to your exact layout specifications.

Imagine how a garage storage system could revitalize your garage and optimize your storage potential. From floor to ceiling, you gain maximum organizational flexibility and a full range of innovative storage features. Best of all, everything in your garage always looks so tidy and stylish, it becomes a serene space in your home.

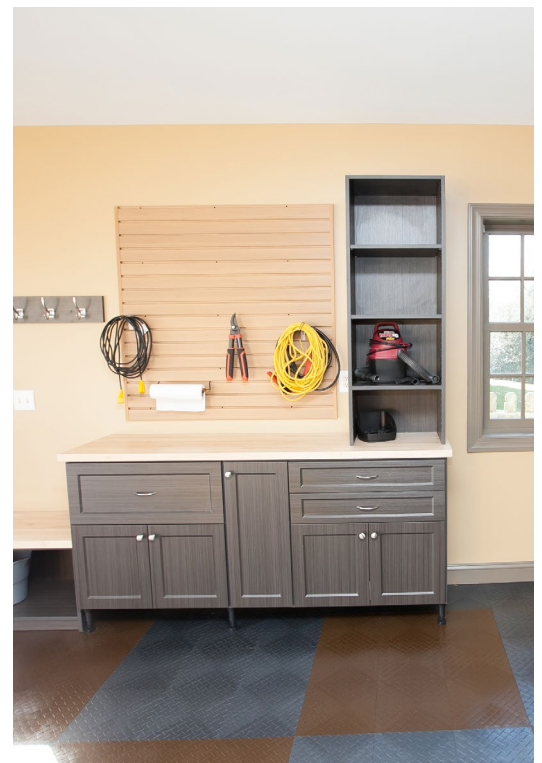

SHOWROOM MEETS STORAGE

Your garage holds great potential to become a full-on showroom for your car, motorcycle, bicycle, or anything else you love to ride. Create a handsome showroom worthy of your wheels.

A showroom-style garage requires the ultimate organizational expertise. To keep all of the attention on your ride, you'll need closed-door storage, beautiful flooring, spotlighting, and sleek organizational features. Plus, we can create an auto repair/maintenance station so it's a breeze to do daily upkeep and repair.

CUSTOM GARAGE DESIGN OPTIONS

Could your garage be doing more to enhance your lifestyle? At Diplomat Closet Design, we've helped our clients create all kinds of innovative garage spaces that allow them to fully enjoy their lives.

What about a home gym? The garage is the perfect place for a custom-built weight room with a treadmill or an elliptical machine. As another option, you can go a completely different direction and set up a craft/hobby room for quilting, painting, woodworking, or anything else that inspires your creativity.

Almost anything is possible when you work with the pros. We have a team of skilled design experts who can help you brainstorm smart solutions that get the most out of your garage.

WE'RE THE SUPERIOR CHOICE FOR PENNSYLVANIA GARAGE DESIGN

Turn to Diplomat Closet Design for the ultimate garage makeover from a company that's been part of Pennsylvania's home renovation tradition for decades. We offer fast turnaround times, high-quality work, and [garage storage options](#) that suit any budget, layout, or style.

"We are SO happy with our entire Diplomat experience. We had gotten 3 estimates and they were the obvious choice - great professional customer service, quick turn-around time, helpful in designing to meet our needs, and quality materials. 100% worth it and already considering doing more spaces in our home."

-DENA M.

"From the start of the first sales and design visit to final installation, with a great team, we were very impressed with the quality and timeliness of all the work and administration! Installation of 5 closets was completed ahead of schedule - with minimal disruption. We would recommend every time."
