## HERE'S WHAT PENNSYLVANIANS ARE SAYING ABOUT US

"I've been in the construction business for nearly 40 years and could not have been more impressed with Diplomat. From the initial drawings and estimate, to install, and follow up, they nailed it. If 5 is the highest number you can give—I'd give them a 10!"

**-FRANK D.**

"Got a master bedroom closet renovation a year and a half ago and it's perfect. From the consultation, design, installation — the whole experience is flawless. Reaching out to them now to complete the rest of our closets. We will only use them for our closet needs!"

**-NICOLE W.**

"The whole process from start to finish was seamless and such a positive experience all around. The installers are Diplomat employees which was something that was important to us as well. We would highly recommend Diplomat!"

**- KELLY D.**
